The reflection of the Mediterranean

Cullinan Belek offers its distinguished guests a unique holiday style full of peace, happiness, and privileges, where they will re-establish strong bonds with all the beauties of life, beyond a holiday.

We have created a lifestyle with ecological architecture in harmony with nature in an atmosphere that slows down time created by the unique blue of the Mediterranean and green, rooms in different segments with stylish and tasteful designs, 600 meters of white sand beach surrounded by crystal blue waters, private sunbathing areas and iroko tree piers, kitchens that offer distinguished tastes from world cuisines, an understanding of entertainment that is a signature for Mediterranean evenings

The Seville orange tones that calm the soul, sparkling marble details and decorative selections, the panorama reminiscent of the gardens of paradise, came to life as a reflection of the Mediterranean atmosphere in Cullinan Belek.

all
day
joy

A panorama in which all the colours of nature are intertwined welcomes you in the *LOBBY*, which is designed to have a pleasant time at any time of the day. You can see that there are 4 branches embracing nature on 4 facades of Cullinan Belek. You too can feel the idea of embracing nature here.

Your *Private* Living Space in the Mediterranean

- ▶ We have reflected the comfortable and spacious Mediterranean lifestyle and peace to every area in the rooms, which are located in a magical area where an endless green and blue are coalesced.

Superior
Swim Up
Lagoon
Family Rooms
Villas

Cullinan mattresses, which are produced with fine workmanship and special materials for a restful and uninterrupted sleep, are specially designed for a quality and healthy sleep pleasure.

We offer a unique sleep comfort by combining 100% cotton bedding, 100% cotton sheets, duvet cover and pillow menu with special options that will make sleep better for our guests of all ages.

We have prepared our bedspreads woven with southern colours inspired by nature, decorative pillows, wall decorations and special yarn woven towels as a mystical collection.

Villas

Embracing the fascinating panorama of the *Mediterranean*, Villas offer perfect service and privacy with a comfort beyond expectations.

We have created elegant and spacious spaces in Cullinan and Exclusive Villa, located in a fascinating place where endless green and blue intertwine.

Villas that coalesced with nature with the combination of traditional stone and stylish wood, gains a comfortable and luxurious look by combining wood with ceramic in the interior.

Villas

The villas, overlooking to the endless green and blue have very large living spaces as Exclusive Villa 170 and Cullinan Villa 235 m².

Offering a detached and isolated holiday opportunity with its seasonally heated private pool and sun terrace in the lush garden, the villas offer a personalized luxury and exclusive accommodation experience with your loved ones, with privileges such as a cabana on the beach or pier, guest assistant and butler.

Swim Up Rooms

This must be the definition of luxury. The Superior, Family Duplex, Lagoon Golf and Lagoon Beach Swim up rooms, which leave you in the cool waters one step away from your room, are designed for pleasure with their sun terrace, comfortable sun loungers and shades.

While enjoying the sun and water in the private sunbathing areas of the swim-up rooms, the infinity pool, which is thought of as a balcony overlooking the sea, dominates a melodious harmony with all the colours of nature in the middle of a magical view.

Lagoon Rooms

Located in an area where you can directly meet with nature, Lagoon rooms allow you to be alone with nature and feel this harmonious unity.

Stone and wood materials were specially chosen in *Lagoon* rooms in order to experience meeting with nature and that intertwinedness. Neutral tones, greens and browns were used in all materials in order not to break away from nature.

Rooms facing green or blue, which have a romantic, cheerful, artistic, and colourful character, provide a comfortable and a pleasing environment as well. The modern-looking mosaic floors used in the rooms offer a peaceful environment with their textures.

Reinforcing the privileges of personalized luxury with the exclusive services it offers, Cullinan Belek hosts its guests with special welcome, airport transfer, fast track pass, exclusive check-in, a guest assistant who plans all their requests during their stay, personal butler, stylish and complete specialties throughout the day.

blue rendezvous

A blue rendezvous that greets nature with daylight at every sunrise.
600 m long beach surrounded by silky white sand in green and blue waters...

the sun is with you

Specially designed piers of Iroko wood extending to the Mediterranean, stylish and aesthetic sun loungers, stylishly designed sunbathing areas, cabanas and gazebos, unique recreation areas. Sea and sun are with you and your loved ones all day long at the piers and cabanas, where exclusive concepts are offered.

Pools facing the sea

The pools were designed in the form of a balcony overlooking the sea, integrating perfectly with the green and blue of the Mediterranean. It is a wonderful view for you to dream towards the endless blue while swimming in the pool.

Here, only the harmonious symphony of blue and green will remain in your mind...

Aquapark

Excitement and adventure in an exciting nature. Designed for both children and adults on an area of approximately 3000m², the water park has a total of 13 slides, 9 of which are in the Aquatower.

With Bodyracer Flying SAW-Rafting-Flying Boats, Magichole, Tunnel Freefall slides for adults, and 9 slides special for children, it is a center of attraction where young people stay happy and active all day long with excitement and activities that push the limits, and children can have fun safely.

Gastronomy style

Rich fruit and vegetable varieties, carefully collected from the fertile fields and branches of the Mediterranean, adorn our registered tables with their colours, tastes, and exquisite scents.

Cullinan Belek turns your holiday into a gastronomic experience with its restaurants decorated with stylish details with different concepts, bars, delicious cocktails, drinks selected from the premium collection, chocolatier, patisserie offering magical tastes, wine, and coffee stops gives you the opportunity to experience a different taste every hour of the day.

Mare Main Restaurant

Reflecting the elegance of the Renaissance in every detail, *Mare Main Restaurant* offers its guests a special gourmet pleasure with their carefully selected flavours of Turkish and World cuisine prepared by master chefs with fresh and high-quality products from Mediterranean gardens.

It is possible to find a flavour suitable for every taste in the dazzling open buffet restaurant, which consists of 4 sections with different decorations stylish like an A la carte.

Thanks to the daylight that is effective in all parts of the restaurant and the raised floor sections, the magnificent nature felt in every area adds a different pleasure to your meal.

Mare Main Restaurant

is the signature of the hotel with

- A la minute shows
- Exotic fruits
- Detox corners
- Colourful salad buffets equipped with fresh Mediterranean vegetables
- Fragrant bread buffet, which is expertly produced with traditional methods.

Yamas

Yamas, with its sense of fun and pleasant atmosphere in the ambiance of the Greek Tavern, where daily fresh seafood is the leading role. Yamas is a favourite of Greek cuisine lovers with its sirtaki wind, appetizers that leave an unusual taste on the palate prepared by award-winning chefs, a wide starter menu and main dishes.

The design of Yamas, which has an impressive appearance with its ambiance as well as its flavours, is based on the idea of renewal and recycling. Details that emphasize the natural look, such as natural bamboo micro topping floors and classic village plaster on the walls, add a comfortable and friendly atmosphere to the venue. In Yamas, which has the deep blue Mediterranean and a lush panorama, fresh snack seafood is also a great option for lunch.

Pascarella Restaurant

A culinary tour would not be complete without Italian cuisine that appeals to almost all tastes and appeals to everyone. *Pascarella Restaurant*, where modern presentations take place, welcomes its guests with both contemporary and traditional examples.

Inspired by the new generation Italian architecture, the restaurant offers a gastronomic journey to Italian cuisine in a unique view.

Beef Grill Club

Beef Grill Club, which gets full marks with its view and carefully designed interior decoration, is the first choice of meat-loving guests...

Meats that are carefully prepared and preserved under special conditions at the *Beef Grill Club*, which is famous in Germany and all over Europe, are cooked by skilled chefs in accordance with your taste and served with impressive presentations.

Beef Tail Soup, Cracked Potatoes with Truffle Oil, Grilled Entrecote Cooked on Coal Fire, Chateaubriand, Beef Tenderloin, T-bone Steak are among the main heroes of the menu.

Hasır

Hasır, which was opened in Berlin in the 1970s and introduced traditional Turkish delicacies, especially doner kebab, to Germany, offers the most special tastes of traditional Turkish cuisine in Cullinan Belek.

It is possible to find the trademark tastes of *Hasır*, especially the special appetizers and kebabs of Anatolian cuisine here.

Asian Breeze

Asian Breeze, on the other hand, presents the traditional flavours of the Far East with the creative touch of talented chefs. The restaurant, which also serves as Teppanyaki, offers an authentic Asian Cuisine experience with Ramen, Crispy Duck, Salmon Teriyaki, and special Sushi presentations.

Sapore

Undoubtedly, one of the most special stops of a culinary journey to different corners of the world in a single hotel is Indian Cuisine. Sapore A la Carte cheers your palate with dishes such as Panjabi Samosa, Shrimp Tendori, Chicken Jalfrezi, accompanied by an impressive sunset view.

Cullinan Bistro

Cullinan Bistro, which is open 24 hours a day, offers delicious food at any time of the day in its stylish lobby atmosphere.

Chocolate Atelier

At *Chocolateria*, we offer handmade gorgeous flavours with chocolate flavours with special formulas that will make you happy and a chocolate box collection...

Caprice Patisserie

Caprice Patisserie overlooking the green garden with a spacious living area dominated by vibrant colours, is the right address for sweet getaways.

Galapagos beach club

Taking its name and form from Galapagos, the world's largest turtle, *Galapagos Beach Club* has become a symbol of Cullinan Belek in a short time with its magnificent structure.

While the iconic meeting point Galapagos Beach Club cools the guests with signature cocktails and special tastes during the day, it turns into a club with the performances of leading DJs in the evening. The venue, which stands out with its special lighting details, has two different entrances. While the entrance to Galapagos consists of an art-filled tunnel, the other entrance from the sea greets guests with a magnificent bar.

You can have a pleasant time at any time of the day at Galapagos Beach Club, which has a lush panorama that coalesced with the deep blue Mediterranean.

The natural and elegant materials used in their designs emphasize that luxury can be lived in a bohemian style without getting in the way of comfort.

Designed with a bohemian approach, the venue gains a natural look thanks to special floor applications and rises like a sculpture made of sand by an artist. The sofas, in which ethnic patterned fabrics in yellow and black are used, contribute to the spirit of the venue.

The giant chandelier with a diameter of 5 meters, consisting of wooden beads and macramé from the Far East, adds aesthetics to the beauty of the place as a magnificent work of art. Being open on all four sides and the straw cover used on the top provide a cool and pleasant environment even on hot Mediterranean days.

The place, which has two show stages, has 2 different DJ stand sections that are unique.

The DJ stand under the 8-meter-high Lycian Woman Statue in the garden section symbolizes the importance given to women and is inspired by the Lycian Civilization that lived in the Antalya region.

Bars

Places, each with a different concept, where you can taste a perfectly prepared cocktail or very attractive drinks from an exclusive drink collection, stylish details, and approaches...

Bars

Cordelia Lobby Bar

An extraordinary place where you spend the most time of the day.

Diamond Bar

Feel the energy and dynamism all day.

Noble Irish Bar

Reflecting the sincere cultural richness that warms your heart, Noble Irish Pub is a comfortable and friendly atmosphere at any time of the day.

Azure Pool Bar

With its interesting form embedded in the pool, you are in the heart of Cullinan against the sunset.

Upupa kids club

The world's leading licensed children's shows, entertainment, games, songs, friendship, green gardens, and nature exploration...

In *Upupa* kids club, named after the *Hoopoe* bird living in the region, with a chirpy decoration that will attract the attention of children, an expert and trained team of games and activities for different age groups, licensed children's shows and activities continue until late at night.

Upupa kids club

Live your own documentary

Upupa Kids Club has a magnificent nature having all the beauties of the Mediterranean vegetation with an endemic plant diversity of 574 different species and, 109 different bird species. With the advantage of this location, it also stands out with its nature observation workshop, which aims to make children love nature.

In Nature Workshops with family participation, children have the opportunity to meet birds such as Hoopoe, Little Cormorant, Blackbird, Pied Heron, Cormorant, examine butterflies in their natural habitats, and discover plant species that grow in the Mediterranean Region in their natural environment.

Cullinan event

At Azure Pool Bar, you will be enchanted by the music and rhythm in the most enjoyable and colourful hours against the sunset in the Mediterranean with jazz and live music.

While we appear as a signature entertainment in the evenings, you will witness world entertainment trends, shows that offer visual feasts and extraordinary performances at the Diamond Show Center.

The Galapagos Beach Bar, which draws attention with its design, will be with you with all its energy, with its thematic parties and DJ performances, with an understanding of entertainment that appeals to high-level gusto.

Offering a perfect disco experience with its impressive design, special sound and lighting schemes, Carat Night Club brings a different approach to entertainment.

C'espace spa *“a special spa* *experience”*

A new world where time stops, all senses are pampered and refreshed...

Refine with traditional local treatments in a Turkish bath, enjoy privacy in private suites, retreat in relaxation areas, relax in treatment rooms furnished with a balance of soothing colours and elements in a lush oasis.

The original architecture of C'espace Spa, designed with the soothing colours of nature on an area of 8.000 m², provides an unforgettable, exotic SPA experience in a fascinating atmosphere. Indoor and outdoor pools offering a panoramic view offer water pleasure and comfort together.

A fascinating spa comfort, decorated with the peaceful combination of green and blue, enriched with the design elements of colour, texture and light that affect the visual perception, enjoying the pleasure of attaining an endless serenity in the sessions where expert therapists apply the perfect touches with world-famous cosmetic brands.

Sports opportunities appealing to different tastes with high-tech fitness equipment on one hand, and lush walking tracks in nature on the other.

Opportunity for the guests to do sports in their rooms, in their own private environment.

With a treadmill, a bicycle and a sports bag containing functional sports equipment, a sports area can be created in the guests own room.

Cullinan links golf club

4 SEASONS GOLF

Cullinan Belek, which is of great importance as it has the only golf course in Turkey with the sea on one side and the river on the other, offers a unique golf experience with the view of the Taurus Mountains.

The night-lit *Cullinan Links Golf Club*, designed as 36 holes by European Golf Design, the world's leading golf course design firm, stands out with its very special and different course.
